| Email:   |   |   |
| Section 2: Hazard(s) Iden                            | tification  |   |
| Hazard Classification:                               |   | Not a hazardous substance or mixture.   |
| Signal Word:   |   | Not a hazardous substance or mixture.   |
| Hazard Statements:                                   |   | Not a hazardous substance or mixture.   |
| Pictogram:   |   | Not a hazardous substance or mixture.   |
| Precautionary Statement                              |   | Not a hazardous substance or mixture.   |
| Description of other haza                            |   | Not a hazardous substance or mixture.   |
| Section 3: Composition/                              | Information on Ingredie                             | ents  |
| Chemical Name:                                       | VAS-2870  |   |
| chemical Name.                                       | VA3-2070  |   |
| CAS:   | 722456-31-7   |   |
| Formula:   | C18H12N6OS  |   |
|  |   |   |
| Molecular Weight:                                    | 360.40  |   |
| Section 4: First-Aid Meas                            | sures   |   |
| Skin contact:  |   | Wash off with plenty of water. Remove   |
|  |   | contaminated clothing.  |
| _  |   |   |
| Eye contact:   |   | Flush eyes with running water for at least  |
|  |   | 15 minutes. Consult physician if necessary.   |
|  |   | Demove to freeh siz Osnaviti - L. 11. "   |
| Inhalation:  |   | Remove to fresh air. Consult a physician if   |
|  |   | necessary.  |
| Induction:   |   | Wash out mouth with water. Consult a  |
| Ingestion:   |   |   |
| Section 5: Fire-Fighting                             |   | physician if necessary  |
| Suitable extinguishing ag                            |   | Use water spray, alcohol-resistant foam,  |
|  | Jents:  |   |
|  | gents:  |   |
|  | jents:  | dry chemical, or carbon dioxide.  |
| Unsuitable extinguishing                             | -   | dry chemical, or carbon dioxide.  |
| Unsuitable extinguishing Specific hazards arising    | agents:   | dry chemical, or carbon dioxide.<br>No data available.  |

| Tribioscience   | Safety Data Sheet<br>VAS-2870  |
|---|--|
|   | Ensure adequate ventilation.<br>Avoid contact with skin.<br>Avoid breathing dust, vapors, mist, or gas.      |
| Measures for environmental prote                        | ction: Prevent leakage or spills from the drains.  |
| Measures for cleaning/collecting:                       | Clean with inert absorbent material.<br>Dispose in a suitable container.                                     |
| Section 7: Handling and Storage Handling:               | Use personal protective equipment.<br>No special handling requirement.                                       |
| Storage:  | Protect from light. Store at -20°C. Keep container tightly sealed and properly labeled.                      |
| Specific end uses:                                      | Use in a laboratory fume hood where possible. Refer to employer's COSHH risk assessment.                     |
| Section 8: Exposure Controls/Pers<br>Exposure controls: | Sonal Protection<br>Substances are not required for<br>occupational exposure limit values.                   |
| Engineering controls:                                   | Use a fume hood where applicable. Ensure proper ventilation.   |
| General protective:                                     | Use appropriate chemical resistant gloves.<br>Wear suitable protective clothing to prevent<br>skin exposure. |
| Respiratory protection:                                 | If risk assessment indicates necessary, use a suitable respirator.   |
| Eye protection:   | Use appropriate safety goggles.  |
| Hygiene Measures:                                       | Handle in accordance with good industrial<br>hygiene and safety practice                                     |
| Section 9: Physical and Chemical Physical state:        | Properties<br>Powder.  |

## Tribioscience

| Bioaccumulation:<br>Other adverse effects: | No data available.<br>No data available.  |
|--|---|
| Section 13: Disposal Considerations        |   |
| Waste from residues/unused products:       | The generation of waste should be<br>minimized as much as possible. Disposal<br>of this product and solutions should entirely<br>comply with the requirements of all<br>applicable local, regional or national/<br>federal legislations |
| Section 14: Transport Information          |   |
| DOT-US/ IMDG/ IATA                         | Not regulated by the transportation regulation  |
| UN number:                                 | No data available.  |
| UN shipping name:                          | No data available.  |
| Hazardous class:                           | No data available.  |
| Packing group:                             | No data available.  |
| Transport in bulk:                         | No data available.  |
| Special precautions:                       | No data available.  |
| Environmental hazards:                     | No data available   |
| Section 15: Regulatory Information         |   |
| SARA Section 311/312:                      | No SARA hazards   |
| SARA Section 313:                          | No SARA hazards   |
| Clean Air Act, Section 112 Hazardous Air   |   |
| Pollutants (HAPs):                         | Not contain HAPs  |
| TSCA (Toxic Substances Control Act):       | No data available.  |
| Other Information                          | Nou   |
| Version:                                   |   |
| Date of creation                           | 05/15/24  |

For research use only. Not intended for human or diagnostic or therapeutic uses

The above information is believed to be accurate but shall not to be taken as all inclusive. The information is to be used only as a guide. All materials and mixtures should be treated with unknow hazards and used with caution.
