## Tribioscience

## Safety Data Sheet IMR-1

| Section 1: Identification  |   |  |
|--|---|--|
| Product name:  |   | IMR-1  |
| Product number:  |   | TBI3601  |
|  |   | Laboratory chemicals.  |
| Identified uses:   |   | For research use only.   |
|  |   |  |
| Compony  |   | Tribioscience, Inc   |
| Company:   |   | 365 San Aleso Ave  |
|  |   | Sunnyvale, CA 94085  |
|  |   | 408-498-0197   |
| Phone:   |   | order@tribioscience.com  |
| Email:   |   |  |
| Section 2: Hazard(s) Ider  | ntification   |  |
| Hazard Classification:   |   | Not a hazardous substance or mixture.  |
| Signal Word:   |   | Not a hazardous substance or mixture.  |
| Hazard Statements:   |   | Not a hazardous substance or mixture.  |
| Pictogram:   | 1   | Not a hazardous substance or mixture.  |
| Precautionary Statemen   |   | Not a hazardous substance or mixture.  |
| Description of other haz<br>Section 3: Composition/  |   | Not a hazardous substance or mixture.  |
| Section 5. composition/  |   |  |
| Chemical Name:   | IMR-1   |  |
|  |   |  |
| CAS:   | 310456-65-6   |  |
| Formula:   | C15H15NO5S2   |  |
| Molecular Weight:  | 353.41  |  |
|  |   |  |
| Section 4: First-Aid Meas<br>Skin contact:   | sures   | Mach off with planty of water. Domova  |
| Skin contact:  |   | Wash off with plenty of water. Remove<br>contaminated clothing.  |
|  |   | contaminated clothing.   |
| Eye contact:   |   | Flush eyes with running water for at least   |
|  |   | 15 minutes. Consult physician if necessary.  |
|  |   |  |
| Inhalation:  |   | Remove to fresh air. Consult a physician if  |
|  |   | necessary.   |
|  |   |  |
| Indoction  |   |  |
| Ingestion:   |   | Wash out mouth with water. Consult a   |
| -  | Maaauraa  | Wash out mouth with water. Consult a physician if necessary  |
| Section 5: Fire-Fighting   |   | physician if necessary   |
| -  |   |  |
| Section 5: Fire-Fighting<br>Suitable extinguishing a   | gents:  | physician if necessary<br>Use water spray, alcohol-resistant foam,<br>dry chemical, or carbon dioxide.   |
| Section 5: Fire-Fighting<br>Suitable extinguishing a<br>Unsuitable extinguishing   | gents:<br>g agents:   | physician if necessary<br>Use water spray, alcohol-resistant foam,<br>dry chemical, or carbon dioxide.<br>No data available.   |
| Section 5: Fire-Fighting<br>Suitable extinguishing a   | gents:<br>g agents:   | physician if necessary<br>Use water spray, alcohol-resistant foam,<br>dry chemical, or carbon dioxide.   |
| Section 5: Fire-Fighting<br>Suitable extinguishing a<br>Unsuitable extinguishing<br>Specific hazards arising                             | gents:<br>g agents:<br>from chemical:                           | physician if necessary<br>Use water spray, alcohol-resistant foam,<br>dry chemical, or carbon dioxide.<br>No data available.<br>No data available  |

| Tribioscience   | Safety Data Sheet<br>IMR-1   |
|---|--|
|   | Ensure adequate ventilation.<br>Avoid contact with skin.<br>Avoid breathing dust, vapors, mist, or gas.  |
| Measures for environmental prote  | <b>ction:</b> Prevent leakage or spills from the drains.   |
| Measures for cleaning/collecting:   | Clean with inert absorbent material.<br>Dispose in a suitable container.   |
| Section 7: Handling and Storage   | Lice personal protective equipment   |
| Handling:   | Use personal protective equipment.<br>No special handling requirement.   |
| Storage:  | Protect from light. Store at -20°C. Keep container tightly sealed and properly labeled.  |
| Specific end uses:  | Use in a laboratory fume hood where possible. Refer to employer's COSHH risk assessment.   |
| Section 8: Exposure Controls/Pers   | sonal Protection   |
| Exposure controls:  | Substances are not required for  |
|   | occupational exposure limit values.  |
| Engineering controls:   | •  |
|   | occupational exposure limit values.<br>Use a fume hood where applicable. Ensure  |
| Engineering controls:   | occupational exposure limit values.<br>Use a fume hood where applicable. Ensure<br>proper ventilation.<br>Use appropriate chemical resistant gloves.<br>Wear suitable protective clothing to prevent   |
| Engineering controls:<br>General protective:  | occupational exposure limit values.<br>Use a fume hood where applicable. Ensure<br>proper ventilation.<br>Use appropriate chemical resistant gloves.<br>Wear suitable protective clothing to prevent<br>skin exposure.<br>If risk assessment indicates necessary, use  |

| Odor:   | No data available                              |
|---|--|
| Odor threshold:                                 | No data available.                             |
| pH:   | No data available.                             |
| Melting point/freezing point:                   | No data available.                             |
| Boiling point/boiling range:                    | No data available.                             |
| Flash point:                                    | No data available.                             |
| Evaporation rate:                               | No data available.                             |
| Flammability:                                   | No data available.                             |
| Upper/lower flammability or explosive limits:   |  |
| Vapor pressure:                                 | No data available.                             |
| Vapor density:                                  | No data available.                             |
| Relative density:                               | No data available.                             |
| Solubility:                                     | No data available.                             |
| Partition coefficient:                          | No data available.                             |
| Auto ignition temperature:                      | No data available.                             |
| Decomposition temperature:                      | No data available.                             |
| Viscosity:                                      | No data available.                             |
|   | No data available.                             |
| Section 10: Stability and Reactivity            |  |
| Reactivity:                                     | No specific test data related to reactivity is |
|   | available for this product or its ingredients. |
|   |  |
| Chemical stability:                             | The product is stable under recommended        |
| ·   | storage conditions.                            |
|   | -  |
| Possibility of hazardous reactions:             | Hazardous reactions will not occur under       |
|   | normal transport or storage conditions.        |
|   |  |
|   |  |
| Conditions to avoid:                            | No data available                              |
| Incompatible materials:                         | No data available                              |
|   |  |
| Hazardous decomposition products:               | No data available                              |
| Section 11: Toxicological Information           |  |
| Acute toxicity:                                 | No data available                              |
| Irritation/ Corrosion:                          | No data available                              |
| Sensitization:                                  | No data available                              |
| Mutagenicity:                                   | No data available                              |
| Carcinogenic effects:                           | No data available                              |
| Reproductive toxicity:                          | No data available                              |
| Teratogenicity                                  | No data available                              |
| Specific target organ toxicity (STOT) - single  | No. dete evellete                              |
| exposure:                                       | No data available                              |
| Specific target organ toxicity (STOT)- repeated |  |
| exposure:                                       | No data available                              |
| Aspiration hazard:                              | No data available                              |
| Section 12: Ecological Information              |  |
| Ecotoxicity:                                    | No substances known to be hazardous to         |
| Mahiling  | the environment.                               |
| Mobility:<br>Biodogradation:                    | No data available.                             |
| Biodegradation:                                 | No data available.                             |
|   |  |

## Tribioscience

| Bioaccumulation:<br>Other adverse effects: | No data available.<br>No data available.  |
|--|---|
| Section 13: Disposal Considerations        |   |
| Waste from residues/unused products:       | The generation of waste should be<br>minimized as much as possible. Disposal<br>of this product and solutions should entirely<br>comply with the requirements of all<br>applicable local, regional or national/<br>federal legislations |
| Section 14: Transport Information          |   |
| DOT-US/ IMDG/ IATA                         | Not regulated by the transportation regulation  |
| UN number:                                 | No data available.  |
| UN shipping name:                          | No data available.  |
| Hazardous class:                           | No data available.  |
| Packing group:                             | No data available.  |
| Transport in bulk:                         | No data available.  |
| Special precautions:                       | No data available.  |
| Environmental hazards:                     | No data available   |
| Section 15: Regulatory Information         |   |
| SARA Section 311/312:                      | No SARA hazards   |
| SARA Section 313:                          | No SARA hazards   |
| Clean Air Act, Section 112 Hazardous Air   |   |
| Pollutants (HAPs):                         | Not contain HAPs  |
| TSCA (Toxic Substances Control Act):       | No data available.  |
| Other Information                          |   |
| Version:                                   | New   |
| Date of creation                           | 05/15/24  |

For research use only. Not intended for human or diagnostic or therapeutic uses
